Career Summary

- **5 years** of buy side facing finance experience at TresVista serving **PE funds, hedge funds and investment banks** across the US and India: LBO/DCF modeling, M&A and QoE diligence, fund placement and investor relations
- Supported private capital raise mandates exceeding **\$1B in aggregate deal value** as part of a UK based fund placement advisory team
- Earned a **fast track promotion to Senior Analyst** and **2 Shining Star** performance awards at TresVista

Professional Experience

05 Years 00 Months

TresVista Financial Services

2020 – 2025

Financial Modelling & Valuation

- Led **LBO and DCF valuation** for M&A transactions, including acquisition screening and **Quality of Earnings diligence** for a Dental Support Organization add on acquisition, with synergy and downside cases
- Built **driver based financial models** with headcount and scenario planning, used by **CFOs of multiple portfolio companies** for capital deployment and liquidity decisions
- Built budgeting, forecasting and **covenant monitoring** models for a US portfolio company, supporting CFO led liquidity planning during a capital raise
- Ran **comparable company and precedent transaction** analysis using Capital IQ, FactSet, Bloomberg and Preqin to underpin models for raises from lenders and institutional investors
- Designed **KPI dashboards** (utilization, margins, execution gaps) adopted across multiple portfolio companies

Investor Relations, Deal Sourcing & M&A

- **Sole Analyst to the CIO of an ~\$80M AUM hedge fund**, delivering investment research, financial modeling and decision support across US equity and credit markets
- Prepared **CIMs, pitchbooks, PPMs, DDQs** and LP newsletters for **\$1B+ of fundraises** spanning PE funds, hedge funds and a European PE fund
- Conducted **M&A diligence** (data room analysis, financial statement review) alongside external advisors
- Prepared **board level materials** (investor decks, diversification analyses, buy/sell decision support) for CFOs and CEOs, informing **capital allocation and divestiture** decisions
- Built a **CRM based deal sourcing pipeline** across PE and hedge fund mandates, surfacing new leads

Internship

- **Risk Analysis & MF Research Intern, Karvy Stock Broking:** evaluated mutual funds on risk return to support live client trading
